Materials Handling Saudi Arabia

The International Exhibition and Conference for Intralogistics, Warehousing, Supply Chain, Ports, Port Equipment – Products & Services

Join Materials Handling Saudi Arabia and give your business a big lift!

Messe Frankfurt Middle East is striding ahead in the thriving Saudi market with the launch of Materials Handling Saudi Arabia.

Taking place from 28 – 29 November 2016 at the Park Hyatt Jeddah, the inaugural edition of Materials Handling Saudi Arabia is the latest development in Messe Frankfurt's ongoing expansion in the Kingdom. Materials Handling Saudi Arabia is a biennial event, alternating between Materials Handling Middle East in Dubai, with the dual events lifting your business to new heights.

Messe Frankfurt Middle East GmbH has partnered with Jeddah based Al-Harithy Company for Exhibitions (ACE), Saudi Arabia's leading event organiser and the first to own dedicated exhibition venues and organize international trade shows in the Kingdom. ACE has over more than 30 years, staged in excess of 500 successful exhibitions in Jeddah across a wide range of industry sectors.

Why exhibit at Materials Handling Saudi Arabia 2016?

It's more than just sales!

- The largest gathering for the industry of its kind in Saudi Arabia
- It is the only focused platform where the entire industry will meet once in two years to share and discuss the latest upcoming projects within the region
- The trade show offers a perfect environment to demonstrate your products even to customers you have been targeting without prior success
- From small & medium enterprises to larger companies, you can reach a much broader audience under one roof here

Don't miss this opportunity to meet high caliber visitors who matter to your business!

Supply Chain+Logistics Forum

The Materials Handling Saudi Arabia team values your presence at the show, which is why we work hard to ensure the successful participation of all our exhibitors at the event.

Supply Chain and Logistics Forum will be focusing on the opportunities and challenges which the new environment presents to all players in the industry. SCLF will bring together top industry leaders who face the challenges of developing supply chain and logistics strategies, academics wanting to share ideas and theories and understand market realities as well as solution providers who want to hear their customers' needs and wants.

Background information on Messe Frankfurt

Messe Frankfurt is one of the world's leading trade fair organisers, generating around €645* million in sales and employing 2,297* people. The Messe Frankfurt Group has a global network of 29 subsidiaries and 57 international Sales Partners, allowing it to serve its customers on location in more than 160 countries. Messe Frankfurt events take place at more than 40 locations around the globe. In 2015, Messe Frankfurt organised a total of 132* trade fairs, of which more than half took place outside Germany.

Comprising an area of 592,127 square metres, Messe Frankfurt's exhibition grounds are home to ten exhibition halls. The company also operates two congress centres. The historic Festhalle, one of the most popular venues in Germany, plays host to events of all kinds. Messe Frankfurt is publicly owned, with the City of Frankfurt holding 60 percent and the State of Hesse 40 percent.
